TRANSFORMING SPACES FOR NEARLY FOUR DECADES.

Since 1986, CenturyPly has been a trusted name in Indian homes, shaping interiors with quality plywood, laminates, and veneers. Backed by a legacy of innovation and excellence, it remains the preferred choice of architects, designers, and homeowners nationwide.

Founded by Mr. Sajjan Bhajanka and Mr. Sanjay Agarwal, CenturyPly goes beyond making products – it creates possibilities. Driven by creativity and technology, the brand continues to redefine design standards, empowering people to craft spaces that are both personal and poetic.

StarLine Range 2026 draws from this rich heritage – textures inspired by handwoven fabrics, patterns that echo marble and stone, colours that celebrate life and elegance, and surfaces that honour timeless design.
