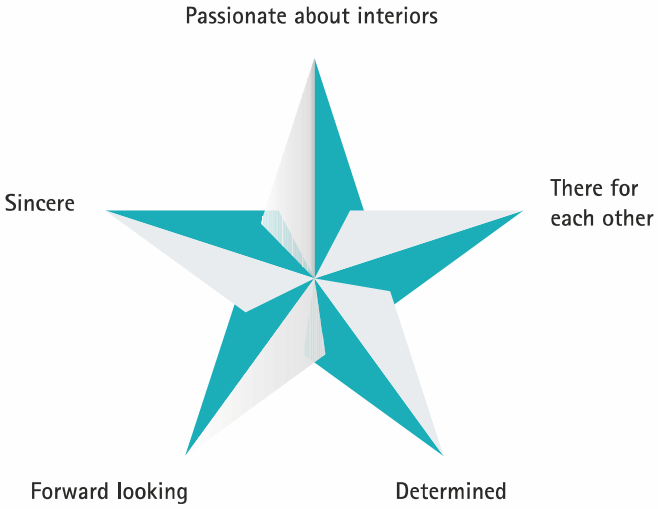
Hettich is a 137 years old family owned German lifestyle brand, being one of the world's largest manufacturers of Furniture Fittings and Hardware with sales exceeding 1.5 billion Euros. It has presence in about 80 countries with over 8000 employees taking up the challenge of developing intelligent technology for furniture to create magical interior experiences for its customers.

In India, Hettich started operations with the dawn of the new millennium and within a short span of time gained undisputed leadership position in the Indian furniture fittings & hardware industry.

Hettich has state-of-the-art manufacturing capabilities globally including India, which enable it to manufacture world-class products both for the domestic and overseas markets. Its manufacturing facilities include three plants at Vadodara, Gujarat and one at Indore in Madhya Pradesh with another one in the pipeline. The company is firmly committed to the clarion call for Atmanirbhar Bharat by pursing the

Brand Core Values



Passionate about interiors
We apply all our skills and passion to develop complete and durable solutions for our customers. These bring rooms to life and fascinate people.

There for each other
We create and maintain reliable partnerships with customers and colleagues. We put ourselves in their shoes, always give a little more than is expected and thereby achieve joint success.

Determined
We are sensibly setting the course for an internationally successful future. To that end, we are bold in approaching challenges and act with courage and determination.

Forward looking
We think across generations. Therefore, we consciously gear our present actions to the challenges of the future.

Sincere
We are honest, down-to-earth and treat each other as equals. We rely on mutual trust and make a contribution to society.

Drawer Runners

Experience the magic of smooth & effortless movement

Hettich Drawer Runners are a core product in the realm of furniture hardware. Known for its outstanding quality and reliability, it excels at providing smooth and quiet drawer operation. These runners' precision engineering ensures that drawers glide in and out effortlessly, even when fully loaded.

IT'S ALL IN HETTICH.

EN 7	1600	160

3D Adjustment Hinges: Guidelines & Precautions

3D Adjustment Hinges Installation: Precautions

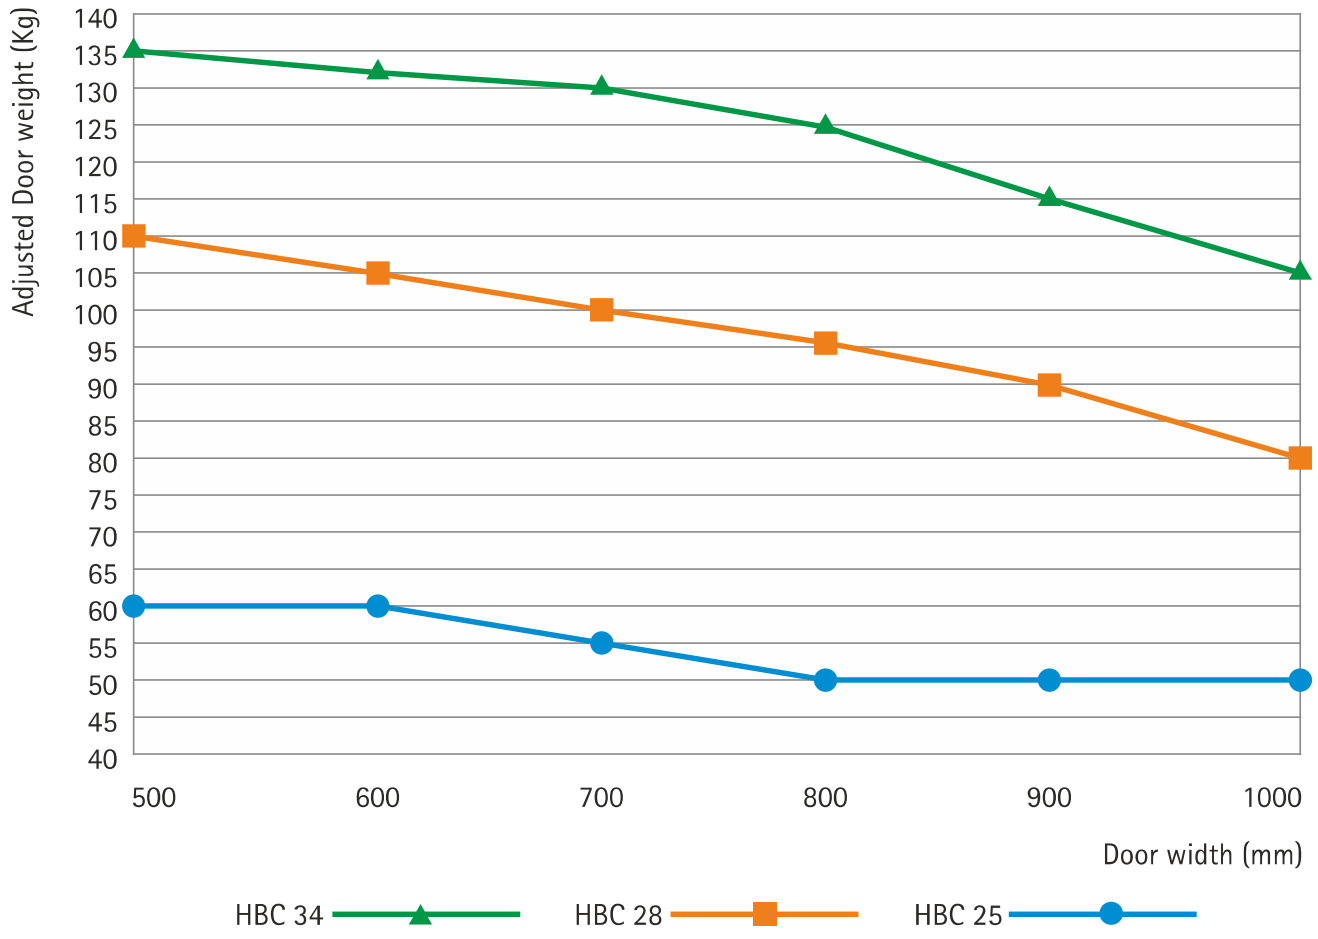
Things to be remember while Installing 3D Concealed Hinge

- Alignment of the door should be perfectly at 90 degree from floor
- The adjusted door weight to be calculated according to door weight calculation sheet.
- Door dimensions: Door Width: Max 1000 mm Door Height: Max 2400 mm Door Thickness: Max 60 mm
- 3 Nos of hinges are more than enough for doors of adjusted door weight* up to 135 kg

Note:- No more than 3 hinges to be suggested per door

Weight to Width Ratio Graph

Graph shows weight to width ratio for door without door closer with max 3 Nos of hinges



Graph

Hinge Position: Diagram

Below are two option for hinges installation:
Installation of the top & bottom hinges first followed by the third hinge according to drawing.
Note: The two hinges at the top carries the major portion of door weight while the bottom hinge completes the door axis

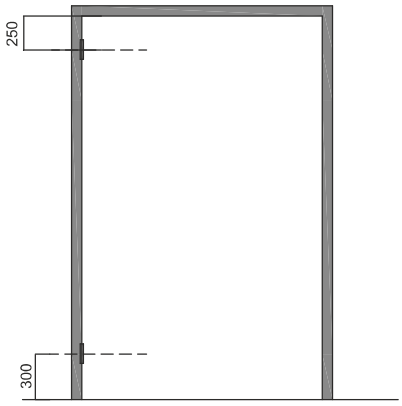


Fig. 1

2 hinges per door

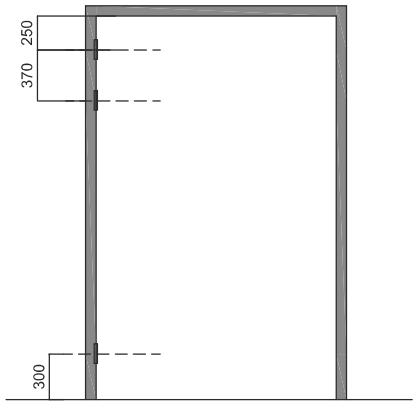

Fig. 2

3 hinges per door

Door Milling Drawings

Please make sure the door cutouts to be made are as per door milling diagrams

Note: Manual cutting may sometimes lead to misalignment and misalignments may hamper the performance of the hinge
